Our Learning

Hello and welcome to Dosbarth Mor! This term, we're diving into the fascinating world of Welsh castles. From mighty Kidwelly to charming Cardiff, we'll explore the history, architecture, and stories behind these iconic landmarks. Get ready for exciting projects and interactive activities that spark your imagination!

In our class, we value every pupil's voice. Each fortnight, we'll have opportunities for you to share your thoughts and ideas about what you want to learn. Whether it's a castle you're curious about or an exploration of a specific time period, your opinions are important!

We celebrate hard work and achievement with our weekly certificates! Each Friday, we recognise our 'Pupil of the Week', highlight achievements linked to the four purposes of the Curriculum for Wales, and share a delicious hot chocolate treat with those who've gone above and beyond.

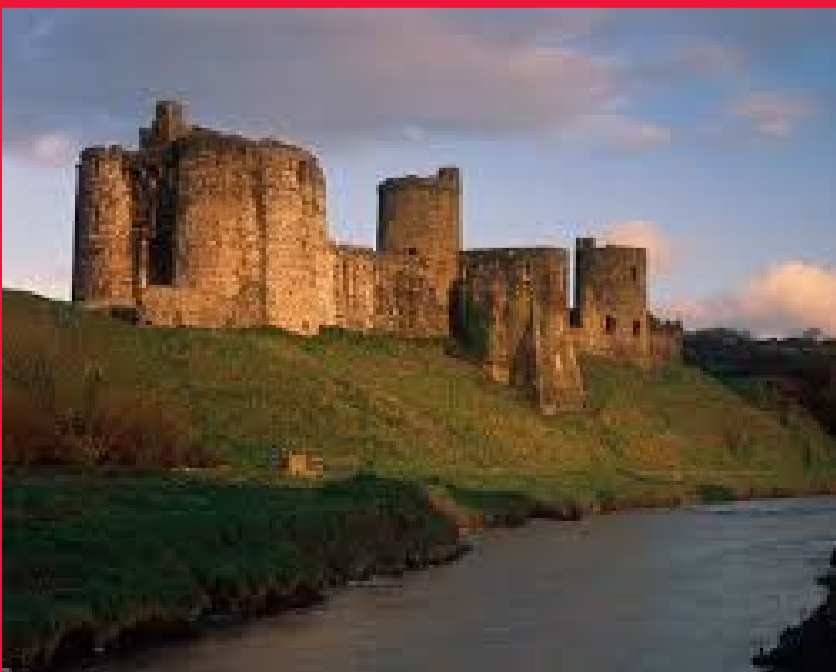

Independence is at the heart of our learning journey. We encourage you to take ownership of your learning and develop skills you'll use for life. We're excited to embark on this adventure together in Dosbarth Mor! Let's make it a term to remember!
