Our Learning

Can you remember being small? Being a baby and learning to crawl? Do you recall a favourite toy, maybe a teddy bear or a favourite book? Look back at family photos of special occasions, perhaps holiday snapshots or a birthday or two. Remember a wedding or a christening and find a funny photo of your parents when they were young. Learn how to write a diary of days gone by and find out about the days before you were born: it's called history and it's all about the past. Then make a special box, a memory box, to keep special things safe. In years to come, you can revisit them and remember how you looked when you were young. Memories are special. Let's make some more.

Each fortnight, we'll have opportunities for you to share your thoughts and ideas about what you want to learn. Whether it's a castle you're curious about or an exploration of a specific time period, your opinions are important!

We celebrate hard work and achievement with our weekly certificates! Each Friday, we recognise our 'Pupil of the Week', highlight achievements linked to the four purposes of the Curriculum for Wales, and share a delicious hot chocolate treat with those who've gone above and beyond.

Independence is at the heart of our learning journey. We encourage you to take ownership of your learning and develop skills you'll use for life. We're excited to embark on this adventure together in Dosbarth Mor! Let's make it a term to remember!
