Our Learning

Welcome to a new and exciting autumn term in Dosbarth Traeth! Our topic this term is "Burps, Bottoms & Bile!" So open wide and say ahhhhhhh as we take a looki inside and go on a voyage of discovery as we investigate the busy world inside our body. Do you have a toothy grin or a winning smile? Test the effects of sugary drinks and food on your pearly whites. Follow a tasty morsel as it makes it way through your digestive system, helped by some mouth watering saliva. And don't forget the importance of good hygiene at both ends. Make a model of the digestive system and use it to persuade others to eat healthily. Learn how to look after this marvellous, belching, squelching mixture making machine we call the human body.
